## **IQAC**

## **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

**National Assessment and Accreditation Council (NAAC) proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement. The prime task of the IOAC is to develop a system for conscious, consistent and catalytic improvement in the performance of the institutions. Keeping into the above aims and objectives, we have established a IQAC in our college during the year 2011. Since its inception, the IQAC has been providing a significant and meaningful contribution towards the quality improvement and sustenance. Its success depends upon the sense of belongingness and participation by all the stake holders (staff, students, management, parents, alumni, and superannuated teachers), academicians and members from the local society. The IQAC was established at women's college Rayagada to create quality culture in teaching, learning and infrastructure. The IQAC was established as a post Accreditation initiative by women's College, Rayagada. The IQAC has been actively functioning since 2014. Career Counseling , Extension Activities, Departmental Seminars, Parents teacher Meeting, interdisciplinary Lecture Sessions, Vocational Training, Skill Development Programs and General Awareness has been organized under the aegis of IQAC to enhance the quality culture.**

## **Goals of IQAC**
